- a design of the figure (image) being determined ONLY by tempering the individual heating elements that locate according to said design;
- cooling means placed between the sheet-support and the liquid thermochromic crystal.

Claims 2-5 are allowed since they depend on allowed claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
